Daly City Prepares To Meet Quota Of \$175,000 In Fifth War Loan

Name W. J. Lehigh Finance Chairman

Daly City's home front D-Day comes, Monday, June 12, when this community and the nation at large launch the Fifth War Loan drive which must raise 16 billion dollars in a month, six billions of which must come from the pockets of individual Americans. Daly City's quota is \$175,000, which means an investment of only \$17.50 per person in this community of 10,000.

How Daly City backs up the boys in service will be told in the figures compiled by Walter J. Lehigh, 563 Crocker avenue, who has been named chairman of the Daly City War Finance committee. Lehigh today called on everyone here for cooperation and for determination to buy more bonds than ever before.

"Now's the time to wring more dollars out of yourself than you thought you could spare," Lehigh pointed out, in asking War Bond purchasers to "Back the Attack—Buy More than Before."

Jefferson Union high school, Daly City post office, the Colma and Daly City branches, Bank of America, and all local organizations are expected to lend all-out support in the Fifth War Loan.

Those who can volunteer for district workers in the drive are asked to contact Lehigh at ELkridge 2822. Since time to reach the goal is so short only prompt and whole-hearted community cooperation can achieve the objective of \$175,000.

Local Police Have Routine Week

Among the recent incidents calling for attention from the Daly City Police department were:

An auto accident resulting in property damage occurred on San Jose avenue, opposite 3348, when cars driven by Melba Chandler, 1701 North Point street, San Francisco, and Charles Kazarian, 207 Clayton street, San Francisco, collided, June 5, at 4:15 p. m.

June 5 at 3:13 p. m. Police Chief James G. Reardon, Officer August Benassini, and Archie Banfield put out a fire in a vacant lot in the 200 block of Winchester street, using the Company No. 4 truck.

Bruises and a general "shaking up" resulted in an auto-pedestrian accident in front of 6233 Mission street, June 3 at 9:57 p. m. when a car driven by William Eli Autry, 3182 Alemany boulevard, San Francisco, hit Viola Elliott, 71 Cotter street, San Francisco, and Melvin Johnson, 1158 Brunswick street. Sergeant Ricco Benedetti and Officers Henry Sundermann jr. and George Savage investigated.

June 2 at 2:30 p. m., 4-year-old Freddie Lahr wandered away while his mother was visiting at 198 Wellington avenue. Daly City (Continued on Page 2)

NEW HOURS

OPA Board No. 83-12-3, which serves the Daly City area, announces that beginning Monday, June 19, a new opening hour will be observed at the office, 470 Grand avenue, South San Francisco.

On and after June 19, the board office will not be open to the public until 10 a. m.

Complete schedule for the week will be: Monday, Wednesday, Thursday, and Friday, 10 a. m. to 5 p. m.; Tuesday, 10 a. m. to 8:30 p. m.; Saturday, 10 a. m. to 12:30 p. m.

PULLEEZE!

All Daly City civilian defense volunteers who have not returned their gas masks to the city hall headquarters, Room 2, 75 Wellington avenue, are urged to do so AT ONCE. The U. S. Army has need of each of the 440 masks issued to residents here during the active period of civilian defense. Only 250 have come back to date, according to Arthur J. Bodien, director of the Daly City Civilian War Council.

When returning his mask, each volunteer is asked to attach his name firmly to the equipment so he may be credited with its return on the records of the council.

"Please don't delay," urged Bodien. "The Army wants these masks NOW—right now!"

Invasion News Accepted Quietly

INVASION!

That was the 10-inch high headline everyone had been awaiting for weeks in Daly City as in every community of the nation. When it came, the news was accepted quietly, with prayers for the "kids across the English channel," with hope for an end of war, with relief that D-Day was here at last.

At Jefferson Union high school a special assembly was called, Tuesday morning, by Principal James Ferguson. The program included the singing of "America," led by Oscar Busch; a reading by Roy J. Gale of Rudyard Kipling's "Recessional;" passage from Isaiah read by Principal Ferguson; a prayer by Clive M. Saiz; the pledge of allegiance to the flag.

"All over the country people are attending church today, praying for the success of the Allies and for the safety of their loved ones, so the student body of Jefferson reverently observes this as a day of prayer," stated Ferguson.

At the city hall, Tuesday, D-Day took precedence in the thoughts of everyone. Most common was "Well, this is the beginning of the end." Thoughts were on the boys from this community who are taking part in the invasion.

As a practical suggestion for civilians who'd like to be of immediate assistance in this new task for victory, the Civilian War Council suggests donations to the San Mateo County Blood Bank. Appointments may be made by calling C. D. headquarters here, Delaware 3313 or the bank direct, San Mateo 3-1424. In the east the moment word of the invasion reached America, people were lining up at blood banks, realizing that plasma would be needed as never before.

Baseball Fans See Exciting Contest

Baseball fans who witnessed the morning game at Marchbank park, Sunday, June 4, were treated to one of the best contests ever played here. The Daly City Juniors were defeated by the Junior Oaks of Oakland, 2-0, with both runs being scored on scratch hits down the third baseline in the eighth inning. The winners were held to six hits, and the Daly City boys made three.

However, the second game made up in scoring all that the earlier contest missed, as a Presidio team walloped the 6th AA Radio squadron, 15 to 7.

Pictures From "Open House" For Service Club Anniversary

Daly City's popular Servicemen's club, 6201 Mission street, has just celebrated its first anniversary with an open house.

To the right are the three women who have been instrumental in the outstanding success of the club: Mrs. Margaret Steele, Mrs. Ann Eason, and Mrs. Maizie Boyle.

Just look at the cake, six-tiers—no wonder it highlighted the refreshments!

In the middle picture, a few of the several hundred celebrants are shown, while in the bottom group picture, in the front row, are the three committee members, Councilmen B. L. Meritt, Edward J. Dennis, Eugene V. Lynch; former Councilmen John J. Fahey sr. and Edmund Cavagnaro; and Councilman Howard McHugh.

For the week of June 11, the Daly City Fire department will take over as host group at the center. Among recent donations made to the club were: fixing of the juke box by the Alex Johnson Roofing company; repair of the club's chairs by Peter Kelly.

Comedy Feature Opens At Daly City

"Chip Off the Old Block," Universal's latest Donald O'Connor-Peggy Ryan feature, which comes tonight to the screen of the Daly City theatre, is by all odds the best of the lively comedy musicals which have teamed these engaging young personalities. The film is a superior example of movie fare suited for all the family.

The sensational young O'Connor's star will continue to soar on the strength of performances such as he delivers in "Chip Off the Old Block." He is again the irrepressible American youth, with a great capacity for fun and laughter, yet withal possessed of a maturity beyond his years.

For the most part, however, Donald is the clowning, quipping, spirited boy that won him such rapid popularity with film-goers.

Universal continues to demonstrate shrewd judgment in pairing O'Connor with pert Peggy Ryan, whose rare talents for fast comedy are rivalled only by her nimbleness as an eccentric dancer. Miss Ryan is good entertainment by herself; with O'Connor as a complement she is sure-fire.

Sharing top honors with this pair in "Chip Off the Old Block" is a fetching, 17-year-old newcomer to films, Ann Blyth, signed by Universal after two years' appearance in the stage success, "Watch On The Rhine." Miss Blyth, who provides romantic interest for O'Connor in the film story, makes a notable debut, suffering not at all from the accomplished company in which she finds herself.

Meriting special mention is the initial screen effort of yet another, Joel Kupperman, radio's already-famous "Quiz Kid." The seven-year-old mathematical marvel is a bundle of uninhibited boy, and was wisely allowed to play himself before the cameras.

Music in "Chip Off the Old Block" is fresh and lively, including original tunes by such established songsmiths as Inez James, Sidney Miller, Grace Shannon, Bill Crago, Charles Tobias, Lew Brown and Ray Henderson.

police gave San Francisco officers a description of the lad and shortly after he was picked up by them at Hanover and Lowell. Freddie's home is at 146 School street.

Sergeant Benedetti and Officer Sundermann investigated an accident on Market street, Colma, opposite Globe tavern, May 31 at 9:20 p. m. A 1941 Chrysler belonging to Mrs. Esthel Bishop, San Bruno had apparently been backed into a Dodge sedan owned by John Garibaldi, County street, Colma.

Theft of a toilet tank and seat was reported, May 31, by the Doelger company, 122 Railroad avenue. Officer George Hopman was called to investigate.

A new climax for a tavern brawl occurred, May 30, 11:30 p. m., when a sailor, James Matthews, had his ear bitten off in a fight which was under way at Wit's End. Sergeant Benedetti, Officer Sundermann and the Shore Patrol brought the situation under control and two of the sailors, including the man who lost an ear, were taken to Amany Emergency hospital in the police car.

day program of sports for younger boys of Daly City was curtailed by repair work being done on the diamond. This allowed only one game, in which the Daly City Cub Juniors defeated the Bayview Athletic club, 6-2, according to Director Charles Norry.

Scheduled to meet in the 11 a. m. feature at the park, Sunday, June 11, are the Daly City Juniors and the Royal Talloes, another squad of boys of similar age. At 2:30 p. m., the Longshoremen of San Francisco go up against Bercovich and Son players.

LIONS TO ELECT

Members of the Daly City-Colma Lions club are reminded that election of officers will take place at the luncheon meeting, Wednesday, June 14, to be held at Colonial Drive Inn, Junipero Serra boulevard. President John Newton urges a good turnout.

The officers selected at the June 14 meeting will take over at the first meeting in July.

Daly City Veteran Firemen Hold Meeting

Vice-President Ed Goldkuhl jr. called the regular meeting of the Daly City Veteran Firemen's association to order at 8 p. m., Friday, June 2.

The men were entertained with stories by J. Albonsky and James Welsh and with a demonstration of how a stove should be set up by P. J. Wickersham. Chef Remi Sanders was complimented on the "swell feeds" he prepares each meeting night. Not content at resting on past laurels, the lunch he served, Friday night, proved popular with the men.

A. Romer was the member with the broad smile.

WAR CHEST

Thursday evening, June 15, 8 p. m., in the auditorium of the San Mateo city hall, there will be held the initial organization meeting of the 1944 War and Community Chest campaign workers and county chairmen. Judge Aylett R. Cotton, campaign chairman, called the meeting and will address these workers who have volunteered for this year's campaign, stressing the idea of one concerted effort in one appeal for all War and United Nations Fronts and the Home Front agencies.

Several Daly City Men Pass Examinations

Daly City Draft Board No. 103 has received reports on the men it sent down for preinduction physical examinations, May 29. Of the group the following local men passed their exams: Aubrey Wendling, 377 Lowell street, Army; Delbert Kelley, 443 Vista Grande avenue, Navy; Paul Phillips, 63 Miriam street, Navy; Michele Ratto, Colma, Army; Donald Smith, 8 Partridge lane, Army.

Actual induction calls for June include June 19, fifty men for the Army; June 28, twelve men for the Army; June 30, 26 men for the Navy.

Greyhound Urges "Serve With Navy"

"Serve with the Navy Medical Corps," urges Pacific Greyhound Lines in their current advertisement released in more than five hundred western newspapers. This is another advertisement in Pacific Greyhound's series in cooperation with the recruiting program of the armed forces, chiefly aimed at getting women to enlist in the various auxiliaries. Others were Seabees, Marines, Waves, and Wacs.

This latest advertisement features both the Navy Nurse Corps, open to trained nurses, and the Waves Hospital Corps which urgently needs other women to serve in the naval hospitals, clerical capacities, and as helpers in the wards, laboratories and pharmacies. Much of this work is now being done by male hospital corpsmen, and women can release these men for duty on the fighting fronts.

Said F. W. Ackerman, vice-president of Pacific Greyhound Lines, "Anyone who has been in the Navy, as I have, will appreciate the need for women in our military hospitals. I well remember the men nurses of the last war; they were well trained and capable enough, but our wounded fighters should have as far as possible the care of women nurses, and, furthermore, the men are urgently needed to serve on the battlefronts. Pacific Greyhound is happy to cooperate by means of this advertising with the recruiting of women for the armed forces. We look upon this advertising as a further extension of the transportation service we are providing for the Army and Navy."

Pacific Greyhound Lines' appeal to women to serve with the Navy Medical Corps appears on page 5 of today's Daly City Record.

VICTORY RATE

The Daly City Water department announces that 550 local residents have applied for special water rates under the 1944 Victory Garden program. Deadline for such applications is July 1. These must be made on the application forms supplied by the department.

Association Reports On Property Tax Levies

Property tax levies in San Mateo county for 1943-44 averaged \$36.34 for each of the 141,000 people in the county at January 1, 1944, compared with the average levy of \$34.96 for each of the 138,000 people in the county at January 1, 1943, California Taxpayers' association stated today, making public its study of property tax levies in California counties. Included in the levy are the taxes for the county, and the cities, school districts, and special districts in the county. Total property tax levy in the county for 1943-44 was \$5,123,879, compared with \$4,825,076 for 1942-43.

Throughout the state, the average property tax levy per capita for 1943-44 was \$39.12, compared with \$40.64 for 1942-43. Total property taxes levied by all the local governments in the state were \$313,475,145 for 1943-44, compared with \$316,780,015 for 1942-43, the association stated.

Changes in population, increases or decreases in expenditures, and increases or decreases in aids from the state and federal governments are all parts of the changes in per capita tax levies, the association stated, pointing out that real reduction in tax burden comes only from reduction in public expenditures.

CONGRESS, THE LAST SAFEGUARD

Citizens of the United States turn to Congress to uphold their constitutional right to court appeal from bureaucratic rulings having the force of law.

"Give a citizen the right to take OPA problems into court when he cannot get the Price Administrator to act on a problem," said Elisha Hanson to a Congressional committee studying extension beyond June 30 of the Emergency Price Control Act. Hanson spoke for the Safeway Stores. He showed that during a whole year he had been unable to get OPA to act finally on a single one of 10 protests, nor could he get them before the Emergency Court of Appeals.

To back up his appeal, he exhibited a current page advertisement of his client, offering food, much of it at prices below the ceiling highs allowed by OPA. He told the story of a grocery company that sells below ceilings on food items when it is possible, but which balks when not able to get action from the Price Administrator on its complaints against discrimination that forces selling below operating costs on other items.

He showed that Safeway, which bought fresh vegetables and produce directly from growers and performed its own crating, packing, refrigerating and other warehouse functions for its retail outlets, was "denied credit or allowances" for the expense involved in those wholesale functions, although they were exactly the same as those on which jobbers are allowed credit in performing such services for other retailers.

Hanson asked two basic changes in the price control act which seem fundamental to justice: (1) Action from the Price Administrator on complaints in reasonable time, and (2) recourse to courts for a hearing.

Congress is the last resort of the citizen for protection against official rulings and directives which have the effect of law without independent court review.

CAN'T EAT COMPLIMENTS

"You know it's remarkable how many friends have turned up recently for our good old American tradition of 'free private enterprise,'" said C. F. Mason, president of the United States Telephone association, in addressing that organization in Chicago. "Only a little more than a year ago, you could count on your fingers the out-spoken friends of private enterprise. . . . But now Senator George's postwar planning committee turns up in favor of free private enterprise. Senator Truman's committee is in favor of free enterprise. The President's own official postwar advisor, Baruch, is in favor of free private enterprise. . . . And . . . I almost fell out of my chair when I read that Earl Browder . . . head man of what used to be the Communist party—said he is in favor of free enterprise."

"I am glad they are all turning up for the system which has brought much happiness to the human race, but . . . private enterprise can't live on compliments any more than stage actors can eat roses and fan mail. We have to protect it and provide an atmosphere in which it will thrive and flourish. Every time the Federal or local government passes a law which discriminates in favor of tax-eating government enterprise, it puts another burden on tax-paying private enterprise. Given a sufficient accumulation of such burdens, the balance of our national economy can be swung toward socialism. . . ."

"Most of us take pride in our ability to pay salaries and wages which make available to our employees the dignity and satisfaction of relatively high living standards. . . . If these standards cannot be maintained under present revenue conditions, it probably has become an obligation upon all of us to secure the necessary revenues to provide such benefits to our employees. . . . The time has come for those companies operating under the handicap of inadequate rates and ever-mounting operating expenses, to move aggressively for higher . . . rates. We can make the job easier—and probably more effective—if we prepare our case in a thorough manner and then present it to the proper authorities with frankness, candor and friendliness. . . . As we believe in the American system of government, so we must have confidence in the fundamental fairness and integrity of the regulatory bodies."

MORALITY'S MORTALITY

The casualties of war never are restricted to the wounded and dead left in the wake of battle. During and after every war, moral values have degenerated—and morality's mortality rate in this war is rising rapidly.

Nat Pieper, special agent in charge of the FBI in San Francisco, warns that juvenile delinquency in the United States is piling up war casualty lists as grievous as those issued by the armed forces. Nearly 23 per cent of all persons arrested last year, reports FBI Agent Pieper, were under 21 years of age. And arrest of young girls last year increased 130 per cent over 1941, the last peacetime year.

There is no escape from the fact that war breeds a hysterical disregard for accepted moral standards, but that certainly does not mean that we can disregard the problem and ease our consciences by dismissing the condition as inevitable. Our dangerously mounting juvenile delinquency records are a challenge to the home, the church and the school, as well as our courts and social agencies, to reduce such casualties and to provide rehabilitation where the damage already has been done. Most of all the obligation rests on parents, for a sound sense of values and strong moral standards, instilled at home, are still the best guarantee that youngsters will have the moral fiber they so badly need in today's war-rocked world.

Former Scoutmaster Writes The Record

Mel Hanson, popular Daly City Scoutmaster now at the U. S. Naval Construction Training center, Davisville, Rhode Island, has just sent the following letter to The Record:

May 26, 1944

"Dear Editor:

"It has been some time since I have written to you to thank you for the copies of the Daly City Record. It sure keeps me up on the goings on in Daly City."

"I noticed in the last several issues that the Scout movement has been much discussed and I am sure happy to hear that so much attention is given to Scouting at last. I am very happy that

the rally that was held at the Jefferson Union high school was such a success. It does my heart good to see the public and civic leaders taking such an active part.

"In order to put on an active youth program as Scouting it is necessary to have help, it is almost impossible to plan or to put on any type of a Scouting program by the Scoutmaster himself. I know because I had to put up with the same things when I was Scoutmaster and Sea Scout Skipper in Daly City."

"I have hopes to get back into Scouting after this war is over (Continued on Page 5)

City Judge Fines Five At Fri. Court

Judge William J. Sweeney meted out five fines at city court session, Friday, June 2, at the city hall.

Melvin Radford, Redwood City, paid \$12.50 for speeding; Anthony DeBenedetto, 1073 Brunswick street, \$7.50, speeding; John Daly, San Francisco, left of center line, \$5; Theodore Johnson, 953 Hano-ver street, overnight parking, \$9; Marguerite Eldred, 425 Monticello avenue, San Francisco, arterial stop, \$1.

Apportion License Fees To County

Gordon H. Garland, director of Motor Vehicles, today announced an apportionment of \$61,015.85 in vehicle license fees to San Mateo county.

Garland also announced the various cities of San Mateo county will receive \$62,816.44, of which Daly City receives \$7,213 and Colma, \$265.29.

The apportionments are based on a population of 111,782 for the county; 9,625 for Daly City, and 354 for Colma as shown by the 1940 census.

Vehicle license fees, formerly were collected by the cities and counties as personal property taxes. Although the law requires that they be fixed upon the current market value of vehicles, the fees are now frozen at the 1943 level due to a special legislative act approved by Governor Earl Warren.

The total apportionment to all the counties and cities of the state, plus 20 per cent to the General Fund, amounted to \$9,425,937.98. Total collections amounted to \$13,422,766.64. Deductions amounting to \$3,996,828.66 were made to cover contributions to the Retirement Fund, administrative charges and interest and redemption on outstanding highway bonds.

and I get home. It makes me feel a lot better to see Scouting going ahead so well in these trying times.

"I believe the citizens of Daly City should get behind the leaders of youth welfare work and make the youth programs work. The citizens of other cities and towns not as large as ours have made great progress toward bettering youth movements and I am sure the citizens of Daly City will come through like they always do.

"A great deal of credit should go to the Daly City Record in making it possible for Scouting to get over its points and for giving Scouting such fine publicity.

Sincerely yours,
Mel Hanson"

How About Canning The Simple Way?

Word of just how easy "home canning" can be, this summer, was brought back to Daly City, this week, by Mrs. Hilda Heagney and Mrs. Elsie Hesselein who attended the Friday, June 2, opening night at the San Mateo Junior College Community Canning center.

This week the center opened its facilities to general usage. Safety, economy, comfort and convenience are the watchwords of the program, which will continue all summer.

Specially trained, state licensed inspectors and operators supervise every step of the canning processes. The latest in automatic equipment, auxiliary to the Federally-furnished basic equipment, has been purchased by the college to further assure maximum mechanical safety above any inspection requirements.

"No standing over a hot stove" best explains the major element of the "comfort" factor in the new program. That's right, ladies—you need do none of the cooking!

After the food has been prepared and put in the can—you can go right home or on a shopping spree. What happens to your food then? Why, while you are at home or down town, a state licensed operator processes your food, it is inspected by a state licensed inspector, and it is then placed in the "shipping" room to wait your convenient return.

You call for your food any time after 48 hours, and there it awaits you, with a state inspector's seal certifying to safety of usage—and you didn't have to cook it!

Reservations may be made by calling San Mateo 4-3788. When calling women are asked to state the sort of produce they want to can, the approximate amount, the method wished, and the preferred day and hour.

There is a small per can or per jar charge for the processing but center directors state these average just about what home fuel would cost, alone, for canning a similar amount of food.

About a good job and why you'd like it

Mrs. America Meets Her Rationing Problems

Mrs. America's Junior gets a break with the new point values for evaporated and condensed milk. The ration value has just been cut in half. In other words, canned milk, which is an important item for infant feeding, now is one-half point per pound instead of one full red point.

New specific dollars and cents ceiling prices on Monterey and California Jack cheese as well as Blue cheese and Italian types

mean a saving to the shopper. OPA estimates that the price roll-backs accomplished with these specific ceilings will mean a yearly savings of more than two million dollars to the nation's cheese eaters. Incidentally, all cheese and cheese products are 10 points a pound, two points lower than last month.

Western housewives are urged to handle their electric irons with care for the new irons authorized by the War Production Board are sufficient only for the most urgent civilian needs. So far this

year contracts have been let for the production of 926,438 irons.

Here are good points to remember. Red stamps U8, V8 and W8 in Ration Book Four have just been validated. No other red stamps will become good until July 2. Mrs. America's quota of blue stamps, validated, June 1, gives her 50 more points through R8, S8, T8, U8 and V8 in Ration Book Four. All stamps are good for ten points each, and they are all good indefinitely.

Serve with the Navy's MEDICAL CORPS!

Join the WAVES HOSPITAL CORPS...

America's pioneer women loaded guns for their men in the struggle to establish our continent. Today the Navy's Medical Department needs your help in "keeping as many men at as many guns as many days as possible." As a Hospital Corps WAVE you will help our disabled fighting men to regain their health and speed them back to active duty... release male corpsmen for vital service in combat areas... help to shorten the war... lay the foundation for a post-war career.

The need is urgent...if you are between 20 and 36, feel temperamentally suited to humanitarian service, are not engaged in essential war work...you can fill an interesting and specialized job in the Hospital Corps. Previous experience unnecessary. Apply today at any Office of Naval Officer Procurement or Navy Recruiting Station.

Become a NAVY NURSE

The Navy Nurse Corps offers you the opportunity to serve your country with recognized professional standing as a commissioned officer in the Navy. The Navy Nurse

serves in base hospitals overseas and in the United States, on Naval transports and Hospital Ships, and in Hospital Corps Training Schools. The present Naval expansion has

caused an urgent demand for more and more Navy Nurses. If you are a registered nurse between the ages of 21 and 40, single, and in good health—you are needed.

APPLY: Bureau of Medicine and Surgery, Navy Department, Washington, D. C., your local Red Cross Nurse Procurement Office, or 703 Market Street, San Francisco.

GREYHOUND SERVES, TOO

Greyhound provides transportation for all branches of America's military forces, including Navy Nurses and Hospital Corps Waves, on duty... on leaves and furloughs.

Practically every camp and training center throughout the country where service men and women are stationed is served by Greyhound, and often we are called upon for special emergency service in transporting wounded of both Army and Navy to military hospitals.

We are proud of our important war work on the home front now and are planning a new era in bus transportation when victory is won.

Buy War Bonds!**Pershing P. T. A. Hears R. L. Crane**

Pershing P. T. A. held its regular meeting, Tuesday, June 6, 1:30 p. m. at Pershing school, with Mrs. Louise Eliassen presiding. Salute to the flag was led by Mrs. Violet Fetta and the Collect was read in unison. Mrs. Eva Derrick led the P. T. A. song. R. L. Crane jr. was guest speaker. He discussed the new report cards for the schools.

Reports were given by Mrs. Sophie Evans, Seventeenth district installation; Mrs. Cecelia Hale, canning center at San Mateo junior college.

Mrs. Dora Barker's class won the banner for the month and presented the entertainment for the mothers.

Plans were made to give a last-day-of-school party for the children, Friday, June 16, with Mrs. Eunice Robinson, chairman. The graduates will enjoy a theatre party, Saturday, June 17, under the supervision of Mrs. Hale, chairman.

Pershing unit has set the date for its annual picnic. It will be held, Tuesday, June 20, at Fleishacker's, and will be an all-day event for mothers and children.

Mrs. Derrick and Mrs. Eliassen will attend the Seventeenth district meeting, June 15.

Mrs. Eliassen has announced her committee chairmen for the new term. They are Mrs. Eva Derrick, program; Mrs. Amelia Siino, finance and budget; Mrs. Frances Haussler, publication; Mrs. Marge Calvin, publicity book; Mrs. Virginia Davidson, Founders Day; Mrs. Ann Eason, recreation and sunshine; executive board, Life Membership; Mrs. Thelma Holcomb, pin and emblem; Mrs. Martha Stone, reciprocity and hospitality; Mrs. Frances Phillips, sewing; Mrs. Violet Fetta, citizenship; Mrs. Eason, war service; Mrs. Emily Lohr, health; Mrs. Margaret Holzworth, magazine; executive board, cafeteria; Mrs. Marie Pool, parent education; Mrs. Derrick, music.

JUNIOR RED CROSS

Work tables for the arts and skills division at the Hamilton field hospital were completed and shipped, this week, by the Daly City Junior Red Cross.

Evidence that the fine work turned out by the boys and girls of the Jefferson Elementary School district is appreciated is contained in the large file of "thank you" letters which has been received by R. L. Crane jr., district superintendent of schools.

To quote from just a few of them:
 American Red Cross, Seattle, Washington—"It was a great day for me and for the soldier bed patients of this Army station hospital when we unpacked the beautiful bookcart made by the Junior Red Cross of Daly City. May I compliment all who had a hand in making the bookcart on the quality of workmanship. I was particularly pleased with the ball-bearing wheels—it is the most noiseless cart in the hospital."

22nd General hospital—"We would like to thank you for the cribbage boards which your Junior Red Cross sent to our hospital. They have been a source of great enjoyment for the patients, and the thoughtfulness of the children in making them is greatly appreciated."

Merchant Marine Rest Center, Millbrae, California—"May I take this opportunity to again thank you and the children of the Daly City elementary schools for their kindness and consideration in sending the little cactus gardens to the rest center for the men. There have been many comments on them and the men here appreciate the loving work that was put into the gardens."

EAT MORE RAISINS!

Now that raisins are plentiful again, use them generously! Mighty good to eat, and good for you! Here's one interesting way to use them:

RAISIN-LEMON PIE

2 eggs
1 1/4 cups sugar
5 tps. cornstarch
3/4 cup milk
1 cup raisins
1/4 cup lemon juice
1 tps. butter or margarine
1 tsp. grated lemon rind

Beat egg yolks slightly in top of double boiler; add 1 cup of the sugar and the cornstarch, mix well. Add milk gradually, stirring until smooth. Add raisins, lemon juice, lemon rind, and butter or margarine. Cook over rapidly boiling water about 15 minutes, or until thickened, stirring frequently. Cool; pour into baked 9-inch pastry shell. Make meringue by beating egg whites until stiff; gradually add remaining sugar, beating until mixture holds peaks. Spread roughly on pie. Bake in moderate oven (350° F.) 15 minutes, or until brown.

Bridal Fare

WHEN the last strains of the music have died away at the wedding ceremony, voices start to buzz and tension is relaxed. Congratulations are in order and it is time to toast the bride. What to serve for refreshments? If it's a simple reception at home, here's the answer. An entree or salad, dessert, bride's cake and plenty of coffee.

Our photograph shows an attractive table setting with Coffee Ice Cream Meringues and silver coffee service. Nothing could be more appropriate to such a festive occasion. Bring out the coffee service and let it share honors with the wedding cake. But be sure your coffee is fresh and strong and full of real coffee flavor. Here are the recipes for the Meringues and Refrigerator Coffee Ice Cream.

Meringues
3 egg whites
1/2 cup sugar
dash of salt
1/2 teaspoon vanilla or almond extract

Beat the egg whites until stiff and dry. Beat in gradually 1/2 cup sugar and the salt. Fold in remaining sugar and vanilla extract. Drop meringues by tablespoonfuls on un-

greased baking sheet, piling mixture high in center. Bake in slow oven (275° F.) about 40 to 45 minutes, until meringues are dry on the surface and will slip off the sheet easily. Remove from sheet with wet knife. If meringues are to be served with ice cream, press in bottom crusts. Yield: 10 medium-sized or 18 small meringues or kisses.

Refrigerator Coffee Ice Cream

1/2 cup evaporated milk
1 1/2 teaspoons unflavored gelatin
1 cup strong coffee
1/2 cup sugar
1/2 teaspoon salt
2 egg whites, well beaten

Chill evaporated milk several hours in refrigerator. Soften gelatin in 1/4 cup cold coffee. Heat remainder of coffee, and stir into gelatin. Add sugar and salt, stir until dissolved. Chill in refrigerator until syrupy. Fold into beaten egg whites beat well. Whip evaporated milk and fold into mixture. Pour into quart refrigerator tray, and freeze until set. Remove from tray to bowl, beat well, and return to tray to finish freezing. If desired sprinkle with chocolate chips. Yield: 1 quart.

Court St. Mary Sets Installation

ELECTION

Quite a few petitions for student body officers were handed in for the offices of president, vice-president, secretary, treasurer, judge, sergeant-at-arms and yell-leader.

Campaign speeches were held in the auditorium, Wednesday, June 7, and election was to be held, Friday, June 9.

For president prospects are Doris Vernengo and Emile Lemoine; for vice-president, Dan Shannon and Verna Moresco; Lois Rich and Barbara Blecher for secretary; Rita Lozano and Virginia Nestor for treasurer; for judge, Art Valverde and Tiny Clement; Byron Kimler is the only candidate for sergeant-at-arms, and Winnie Grant is the only candidate for yell-leader.

BONDS 'N STAMPS

A total of \$1,965 was collected in War Stamps and Bonds for the month of May. This was good, considering there was no drive.

The best class for the month were the seniors. Those on the honor roll were Roberta Romer and Jack Ferro.

ASSEMBLY

Last Monday, May 29, the film "South of the Border" was shown in assembly.

The film, beautifully done in technicolor, was of the trip made by Walt Disney and his workers to South and Central America. The purpose of the trip was to get ideas for new characters.

J. N. S.

At the last meeting of the Jefferson Naturalist society final plans were made for the swimming party to be held at the school pool, Saturday evening, June 10.

Refreshments will be served at the home of one of the members.

BLOCK "J"

Thursday, June 1, the boys' Block "J" had their usual initiation.

The "victims" were dressed in skirts and dresses and a great deal of make-up.

Richard Chelone, Roy Adreveno, Ed Bocci, John Melani, Hubert McDaniels, Don Decker, and Dalbert Wendel were the initiated members.

SENIOR BALL

Friday evening, June 2, the semi-annual senior ball was held in the Jefferson Union high school auditorium.

An old-fashioned garden was the theme carried out in the decorations, including old-fashioned boys and girls, beautifully made roses, and old-fashioned carriages made by the senior ball committee with Bill Fasshauer, and M. L. Greenfield as chairmen.

Towards the end of the evening the senior grand march was led by Mr. and Mrs. James Ferguson. Following the grand march the seniors danced a waltz to the tune of "School Days."

Orchid corsages seemed to dominate over all other flowers, and the girls in their blue, pink, and white formals and the boys in tuxedos really made a pretty sight.

The band was exceptionally good and during intermission records were played to give the band members a chance to dance.

Punch was served by the Jefferson Union High School P. T. A.

To Present Children's Day Program

A Children's Day program will be presented at the 11 a. m. worship hour, Sunday, June 11, at Grace Presbyterian church, Hanover street and Evergreen avenue, under the direction of Mrs. William Harberts, assisted by Mrs. Jarnagin.

The primary classes will give scripture passages with Mrs. Robert Poole and Mrs. C. R. Eichinger in charge. Special chorus numbers will be directed by Miss Eleonora Rutherford and Mrs. Harvey Alcott, with Janet Warren as pianist. Miss Helen Emerson will sing a solo; Miss Lurline Alcott will give a reading, and instrumental numbers will be furnished by C. R. Eichinger.

Mrs. Charles Kling, cradle roll superintendent, is graduating a large class of boys and girls from the cradle roll class in "caps and gowns." Margaret Robertson will sing the solo for this special service.

A large group of children will receive the sacrament of baptism.

News From District Grammar Schools

AT WOODROW

Many pupils from Room 5 attended Memorial Day exercises in San Francisco. They enjoyed in particular the historical program commemorating the day.

The students of Room 8 had 100 per cent participation in War Stamp sales during the month of May, of which the students were very proud. The school will fly the Treasury Flag during the month of June and the students of this class are proud of their contribution.

Room 9 pupils were able to recognize and understand a recent film they saw on "Wheat" after a study of farming this spring term. They witnessed and compared the method of planting and harvesting of modern farmers and farmers of many centuries ago.

Room 12 has been studying how modern machinery has helped the farmers produce more and better crops. They saw films on "Winged Warfare" which showed the use of the airplane to spray poison on the cotton crops of the south.

The children of the high and low fifth, last week, learned how the use of water helped ancient people tell time. There were many different kinds of water clocks and the advantages and disadvantages of all were discussed.

The children of the fourth grade are learning how some of the California food products are prepared for market. They have discovered that some foods need a great deal of processing before they are ready for consumption.

Interesting talks on hobbies were given recently by the pupils of Room 4.

AT CROCKER

Last week the students of Room 3 were shown a film on "Wheat." The class was very interested in the film since it depicted many phases of farming, about which they had studied. Of greatest interest were the huge combines and other farming machinery.

Crocker school has a new still film machine. Room 4 was shown films on "Famous Cathedrals." The class was interested in this as they had just studied about cathedrals and their type of architecture during the Middle Ages.

One of the reading groups of Room 6 acted out a play, "The Brahman, the Tiger, and the Jackal," during a recent reading period. Those who participated were Fred Bricker, Cecil Valverde, Louise Cole, Lilly Templin, Gloria Naccarini, James Filippo, Guido Piacenti, and Richard Hartje.

Sunday school will be held at the usual time, 9:45 a. m. and an unusually large attendance is expected for Children's Day.

The public is invited to attend the June 11 program, with a special invitation extended to parents of the children enrolled in the Sunday school.

Last weekend was a happy one at the 321 Peoria street home of the pastor of Grace Presbyterian church, Dr. and Mrs. William Harberts entertained Mr. and Mrs. John Calvin Harberts and baby, David Calvin, Berkeley; Miss Gertrude Marian Harberts, Burbank, California; Mr. and Mrs. William Wesley Harberts, Berkeley; Mr. and Mrs. Paul E. Harberts (Air Corps) Camp Kearns, Utah; Harold Hodge Harberts, U. S. Maritime service; Arthur Stanley Harberts (Navy), Glendale, California. In the immediate future all five sons of the local pastor and his wife will be in the service of their country.

MONTHLY AID

The \$45.71 per month average aid paid each needy aged person in San Mateo county during April is 69.3 per cent more than the \$26.99 per month average aid paid to needy aged persons throughout the United States in February, California Taxpayers' association reported today.

Average old age aid given per person throughout California for April was \$47.10, the association stated. Total old age aid paid out in the county was \$57,279 for April.

No Grounds To Get New Ration Books

Accidental removal from a War Ration Book of stamps not yet made good for buying rationed commodities is not ground for getting a new ration book, Paul I. Nederman, San Francisco district rationing executive for the Office of Price Administration, stated, this week.

"In case unvalidated stamps have been accidentally removed," Nederman said, "the holder of the ration book should not ask his local OPA board to replace it because many of the stamps may never be needed for rationed commodities and, consequently, may never be validated."

He pointed out as an example that Sugar Stamp 37 was removed by mistake in many cases when Spare Stamp 37 in War Ration Book Four was designated as the stamp to be sent in for identification purposes with applications for sugar for home canning.

For this reason it has already been decided that Sugar Stamp 37 will not be validated for sugar or any other commodity.

Should a validation period be subsequently declared for a particular stamp after it has been accidentally or mistakenly removed, the ration book may then be considered mutilated and an application for replacement may be made.

Junior College Selects Speaker

President Lynn Townsend White jr., of Mills college, will be the graduation speaker at the San Mateo junior college commencement, Friday morning, June 16. The exercises will be held at 10:15 a. m. in the Woodland theatre in Hillsborough and are open to the general public.

In addition to the commencement exercises, the graduates will attend a class breakfast the day of graduation and will hold a sophomore formal dance, Saturday, June 17, in the Italian ball room of the St. Francis hotel. The graduates have just completed a week of class activities at the college which included dress-up days, assembly, dinner and dance.

Norman Wiseman, Daly City, is included in the list of graduates to receive diplomas at the college commencement.

The Army Air Forces Training command announced, this week, that Private **Vernoy G. Bowen**, Daly City, was graduated from the Department of Armament of Lowry field, Denver, Colorado.

Aircraft armament deals with the operation and maintenance of the guns used on Uncle Sam's heavy bomber and fighter planes. Students are given a thorough course in assembly and disassembly of equipment, and practical work on field models supplements classroom study.

Private Bowen is the son of Mrs. Sally Bowen, 647 San Diego avenue, and attended Jefferson Union high school. He entered the service, March 4, 1943, at San Francisco.

With the Americal Division at Bougainville: For his performance of duty in action against the enemy on Bougainville, Private First Class **John S. Winn**, 323 Willits street, Daly City, California, overseas nine months, has been awarded the Combat Infantryman Badge.

The badge, worn above the left breast pocket, is a silver rifle on a field of infantry blue within a silver border, an elliptical wreath in the background.

Private First Class Winn is an armor artificer in a veteran infantry regiment which fought at Guadalcanal with other units of the Americal Division securing the island, February 9, 1943. Again on Bougainville, the regiment distinguished itself in the bloody battle for Hill 260.

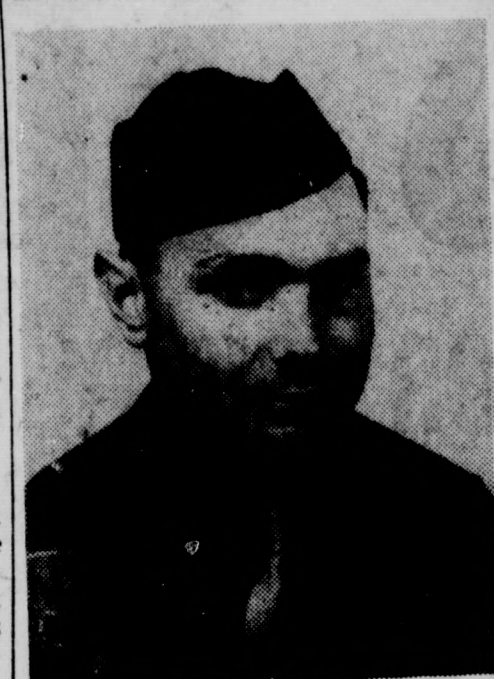

Major General Robert B. McClure, of Palo Alto, California, commanding the Americal Division, saw action on Guadalcanal and led the amphibious attack that took Vella Lavella in the Solomons.

The division, formed in New Caledonia, is the only division in the United States Army having a name instead of a number.

The five western states of California, Oregon, Washington, Colorado and Utah contributed 375 pilots to the Army Air Forces, May 27, as the AAF Training Command held simultaneous graduation exercises at the eleven ad-

vanced flying schools of the Central Flying Training command, Randolph field, Texas.

California, with 174 men, led all western states in the consoli-

PAINE

dated class which included men from every American state and from Canada, Alaska, Hawaii, Cuba and Brazil.

The Central Flying Training Command advanced schools participating in the graduation activities included those for fighter pilots at Eagle Pass, Aloe and Foster fields in Victoria, and Moore field at Mission, all in Texas. Bomber pilots received their wings from the Texas fields of Blackland in Waco, Ellington in Houston, Brooks in San Antonio, Lubbock and Pampa and from the two Oklahoma schools at Frederick and Altus.

Among the new pilots is one man from Daly City, Jamie M. Paine, 134 Miriam street. He has been commissioned a second lieutenant and took his bomber pilot training at Blackland.

Arriving at Lubbock Army Air field, Lubbock, Texas, with Class 44-G, Aviation Cadet **Louis C. F. Silvas**, son of Mr. and Mrs. Charles Silvas, 27 Hillcrest drive, Daly City, began the final period of pilot training at this advanced two-engine school of the Army

Air Forces Training Command. After a few more weeks of intensive training on the ground and in the air he will receive the coveted silver wings of a bomber pilot and become a flying officer in the Army Air Forces.

LAAP is located on the flat plains of West Texas. It was early chosen as an ideal location for the training of future pilots of the Fortresses, Mitchells, Marauders and other multi-motored AAF aircraft. Hundreds of combat pilots who graduated from this field have distinguished themselves in all theatres of war.

WOODROW PTA

The executive board of Woodrow Wilson P. T. A. met at the home of Mrs. Hilda Heagney, Tuesday, June 6, for luncheon and a business meeting.

Plans were made for a school party to be given graduates of Woodrow Wilson, Thursday, June 15. Committee is Mrs. Mildred Ventura, chairman; Mrs. Wilma Harju, Mrs. King, Mrs. Kimler, and Mrs. Lucille Lemon.

There will be no more meetings for Woodrow unit until September.

Mrs. Catherine Duffy and Mrs. Elsie Hesselein will attend the Seventeenth district meeting in Burlingame, June 15.
